HAMLIN, JONES COUNTY, TEXAS, FRIDAY, OCTOBER 2, 1942

NUMBER 48

Pied Pipers Wallop Moguls From Munday

Last Thursday night in Pipers Field the Hamlin High school team trampled the team from Munday to the tune of 39 to 0.

The Pipers showed much improvement over the previous week and Coach Melvin Grigg is shaping up a squad of players that will be of no little concern to other teams of this district.

Norris Shira, Hamlin back, showed up well, and made at least two of the touchdowns. He seemed to be good for a few yards through the line on any occasion.

Witt to Witt passing combination was clicking, as was the combination Witt to Kelley. All in all, the team is coming along fine.

Tonight (Friday) the clubs goes to Spur for a non-conference game.

Soldiers' Kit Bags

Anson, Hamlin and Stamford organizations and individuals have made recent pledges and donations toward soldiers' kit bags, fifty of which are prepared monthly by the Jones County Red Cross Chapter.

The Presbyterian Auxiliary of Anson has pledged one kit each month. Three Stamford groups have pledged a bag monthly, Busy Hour Club, Methodist Sunday School Junior Class, and the Woodmens Circle. Needle and Thimble Club of Stamford has pledged a kit bi-monthly.

Hamlin has turned thirty dollars toward the kit bag fund, which was raised through scrap collections. Kits are presented to soldiers as they embark for foreign battle fronts, and are filled with comfort items; a greeting from the chapter is enclosed, and name of donor included.

The Red Cross room needs more sewers to take these kits out for sewing in their own homes following Red Cross instructions, as 150 must be ready by the end of Oct.

Mrs. Elmer Brewer was rushed to the Abilene hospital last Saturday night suffering from a ruptured appendix. An emergency operation was performed and her condition was serious for several days. Mr. Brewer was at the Amarillo Munitions plant and came as fast as transportation would allow. He was in Hamlin Thursday and said doctors report a serious condition still prevails.

Jimmy Clements went to Stephenville Thursday of last week to enter John Tarleton College. Jimmy lacks only one credit of completing his High school course and by entering College this term he can gain that credit and also do his freshman year's work.

Typewriter Ribbons—Royal and Woodstock for sale at the HERALD.

Shell Pipe Line Will Offer First Aid School

Next Monday night at 7:30 o'clock at the Band Room of the High school, the Shell Pipe Line Corporation will offer a First Aid School for five nights of three hours each, according to R. B. Wiar, Supt. of the Shell station north of town.

The instructor will be Thomas Brown, formerly with the Federal Bureau of Mines. He is the Safety Engineer of the West Texas area.

This is something free to both men and women. It is presumed those attending during the time will be eligible for a certificate. See about that at the first meeting.

First Aid is something every school child should be taught at least during their High school years.

The public is invited. Go look and learn.

Recruiting For Navy At Hamlin Postoffice

Representatives of the Navy recruiting station, Abilene, will make a special visit to Hamlin on Friday, October 2nd, at 1:00 P. M., stopping at the Post Office briefly, to interview prospective applicants for enlistment in the Navy.

Recruiters from the Abilene station are in Hamlin every third Friday of the month, and also accept application at the Post Office in Stamford on every Thursday, from 9 to 11 A. M. The Abilene station, located in the basement of the Post Office, is open from 8:00 A. M. to 8:00 P. M. on week days, and 8:00 A. M. to 1:00 P. M. on Sundays and holidays.

Cotton Opening Far Ahead of Year Ago

The first official cotton report for this section of Texas was released this week.

It shows that Jones County up to the end of September 15, had ginned 3,305 bales of cotton as compared to 896 for the same date in 1941.

It is about time now for guesses to start as to the total number of bales this county will gin. Another canvass of gins is under way this Friday, October 2, and it is pretty safe that a greater amount will be shown this time than at the same date one year ago.

Cotton is opening very fast, and this week has been a humdinger for "pulling". Every available person is in the cotton patch, except maybe a few.

One farmer last week had a force that gathered 28 bales and he paid out \$524.00 Saturday night. Cotton "gathering" is not what it was 25 years ago.

Lawrence C. Dixon

Lon C. Dixon was buried in the Fairview Cemetery, Thursday afternoon of last week, September 24, and a suitable sketch of his life could not be obtained till this week.

L. C. Dixon was born March 14, 1878, the son of a Baptist minister, the Rev. B. F. Dixon, a pioneer of Caldwell County, Texas. He came to Jones County in 1902 and had resided in the Abbie and Plainview communities except a few years he spent on the Plains.

Lawrence C. Dixon was married to Amanda Treadwell, September 8, 1904 and to this union there were four children, all of whom survive. They are T. E. Dixon of Carlsbad, N. M.; Mrs. Elmer Joiner, Hamlin; Mrs. Fadella Stewart, Brownfield, Texas; and Mrs. Woodrow Goodwin of Anson, Texas. There are seven grandchildren, namely, Melvin, Joanna and Jean Dixon, Helen Stewart, Buck and Jimmy Joiner and Mrs. J. E. McCoy.

Surviving are also his step-mother, Mrs. B. F. Dixon of Lubbock and eight sisters and two brothers, as follows: W. M. Dixon, Tucson, Arizona; B. H. Dixon, Lubbock; Mrs. J. A. Hatcher, Mrs. Arthur Hays and Mrs. Urban Moore, of Lewisville, Texas; Mrs. J. R. King, Pleasanton, Texas; Mrs. Clyde Hudson of Hobbs, New Mexico; Mrs. Walter Scuddy, Ft. Stockton, Texas; Mrs. J. C. McCasland and Mrs. M. L. Shepherd of Lubbock. All were present for the funeral except W. M. Dixon, Mrs. King and Mrs. Hudson.

The companion of the deceased passed away February 12, 1940, after an illness of nine years, the last four years of which Mr. Dixon gave constant tender care himself and did his own housework. He earned the love and respect of all who came into his life, during those sad and trying times by his cheerful outlook and unselfish devotion to his suffering wife. He always had a smile and kept jolly when things looked the blackest for him. He kept this sunny disposition up to the very last hour of his life.

Mr. Dixon died at the home of his daughter, Mrs. Elmer Joiner, six miles southwest of Hamlin, Tuesday, September 22, after only a very few minutes of illness. Shortly before he died he had worked some in a field near by. He was a member of the Baptist church from early life and the funeral was conducted by the Rev. Charles Tarrence at the Abbie Baptist church. Interment was in the Fairview Cemetery by the side of the wife, directed by the Barrow Company of Hamlin.

Charlie Pyron Buried Here Fri. Afternoon

Charlie M. Pyron, who farmed in the Flat Top community for many years, and later resided in Hamlin for some time, died at his home near Hawley on Tuesday night of last week.

Lawrence Funeral Home of Anson had charge of interment, following the funeral at the funeral home. Burial was in Hamlin East Cemetery, Friday afternoon.

Mr. Pyron was some months past 76 years old. He is survived by his third wife, formerly Miss Julia Tindal. He was the father of twelve children, all of whom are living. There are 22 grandchildren, 21 great-grandchildren and one great-great-grandchild.

Miss Ozzie Folkes, the new Home Demonstration Agent for Fisher Co., visited the Herald office on Thursday of last week. This work is new for Miss Folkes and so also is West Texas. She is a Kaufman County native. Down there, she says, "Is the place where if you stay with the land while it is dry, it will stick with you while it is wet."

Mr. Eaton, operator of the Model Laundry, left for Oregon ship yards Tuesday of this week. Thus a good business is offered for sale in Hamlin.

Plains, they had a car accident in which their car was damaged to a great extent, but fortunately no one was hurt except for bruises and shock.

Get your Typewriter Ribbon at the HERALD OFFICE.

Example of Scrap To Be Found At Home

Wednesday morning, Mrs. W. J. McGee, who resides on Central Ave. and Mr. W. B. Myers, who resides also in one of the McGee residences came by the Herald Office with one of the most interesting scrap collections this community has yet seen.

Both of these people went through their relics of former day sentimental value, and wherever they found "metal" it went into the scrap collection as a free gift.

In checking the articles it reads like this: A pair of scissors 50 years old, oodles of keys age old, silver buckles, shoe buttoners, one old razor (the first one Mr. Myers ever used), cork screws, old alarm clock, butter knives, old shoe horn and buttoner combined, machine attachments, silver-plated spoons, locks, hair curlers, cigar lighter, and of all things, knitting needles, over 100 years old, and then there was equipment for making bullets, with the powder measure, and a box of caps, old horseshoe nails, and what looked like a veterinary's knife for bleeding horses; screws, and old Christmas lightings.

Now here's the moral: The Mrs. McGee home, and the Myers place are just like yours, and mine and theirs all over America. In every drawer, attic, and corner are metal relics, used by your daddy, your mother, your grand dad and back and back you have been accumulating stuff that has lost its sentimental value and NOW it is needed to build things that must be had to help defeat our enemies of our Free America. What do you think about this Old Man? Let's dig up or shut up.

Congratulations, neighbors, and this will make the Herald family do some more "digging".

Now say, folks, last week a traveling salesman left three or four containers about over town to gather keys, and when he comes back in October he will get more than his boxes full. This is being done all over the nation and when the keys are turned in the price paid will go to the USO and other war helps for our boys.

Fire Prevention Week Proclaimed By Gov.

TO ALL TO WHOM THESE PRESENTS SHALL COME:

WHEREAS, the prevention of fires is of vital importance to the success of the nation's war effort; and

WHEREAS, the production of materials essential to the prosecution of the war by our nation is taxing the capacity of industrial plants, and curtailment of production because of fire becomes a menace to our own safety; and

WHEREAS, war production has made it necessary to stop the manufacture of many lines of civilian goods, including building materials; and

WHEREAS, throughout its history the State of Texas has suffered loss of lives and property due to fire; and

WHEREAS, statistics on fire losses reveal that the cause of fires, to a large extent, can be controlled by intensive education and intelligent law enforcement; and

WHEREAS, due to the national emergency during time of war, the safety of human lives, and in the interest of sound economy, it is the patriotic duty of every citizen in Texas to aid in the prevention of fires;

NOW, THEREFORE, I, Coke Stevenson, Governor of the State of Texas, hereby proclaim the week of October 4 to 10, 1942, as FIRE PREVENTION WEEK in Texas. Citizens of Texas, particularly civic, school, Civilian Defense, and municipal organizations, are called upon to emphasize the danger of fire and to encourage the adoption and enforcement of fire prevention rules and regulations in an effort to lessen the disastrous consequences of fire.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused the official seal of the State of Texas to be affixed hereto on this 15th day of September, A. D., 1942.

Coke R. Stevenson,
Governor of Texas
Wm. J. Lawson
Secretary of State

School Children to Fight The Japs With Scrap

For the first time in history the name "Texas Rangers" will be officially applied to a group or organization other than the original "Texas Rangers". School children have been commissioned by Governor Coke R. Stevenson as "The Junior Texas Rangers" and their commission is to gather all the loose scrap, especially iron, steel and rubber, to aid our national government in the production of war material.

October 5th marks the beginning of the scrap drive in Hamlin by the boys and girls of our two schools. For two weeks a nation wide drive by school children will be conducted. It is believed that these young patriotic Americans will do a thorough job of cleaning up and bringing in

the scrap. Millions of tons of scrap iron and steel are needed. Rubber, rugs, bur-lap bags and manila rope in any condition are needed.

Here is our plan: Boys and girls will be assigned streets or parts of town. Residents living on these Sts. are requested to pile the scrap they may find about their place in front of their house on Friday, October 9th. They will then call the superintendent's office at 192, and the boys or girls assigned to that part of town will immediately call and remove the scrap. No amount will be too small to contribute. If the scrap is given to the school, it will be sold and the proceeds given to the Red Cross. We urge your cooperation.

G. R. Bennett, Supt.

You Got A Key?

Say, there is now a system for gathering keys, needed for their special metal composition.

There are two, three and maybe four "Key Boxes" located in Hamlin for your old unused keys. Notice at Albritton Food Store, Bryant-Link's and at the Herald Office. Drop in your keys and they will be assembled in Wichita Falls and a big shipment sent in and all the cash received will go to the USO, Red Cross or whatever thing needed in war service.

Ele Babbett of Ozona has taken the position of cashier for the Hamlin Cotton Oil Mill, the place vacated by Pinky Fitzgerald who left Monday for the Ground Division of the Air Corps. Mr. Baggett has had considerable experience in the Sweetwater Mill.

Mr. and Mrs. W. D. Meddock, Rialto, Calif., came on Friday of last week to spend several weeks with their daughter, Mrs. R. M. Myers and family.

Mrs. Mary F. Clift came up from Wills Point, Texas, last Friday to spend several weeks here with her daughter, Mrs. D. W. Carlton and family. Mrs. Clift is 91 years of age, and travels by train or auto very much like a young girl. She had lately visited a son, G. C. Clift at Lamesa.

Harold Fletcher is starting his second year in Abilene Christian College and this year he has a brother to report his conduct. Milton, who graduated from Hamlin High last year, is beginning his Freshman year there.

The Herald anywhere, 1 year, \$1

Acme Lumber Co.

Closes Hamlin Yard

After a period of about 13 or 14 years in Hamlin, the Acme Lumber Yard has closed out and distributed the stock to their various yards.

Gaylon Robertson, the last manager here, has been transferred to Pampa, where he and his wife have moved to make their home. Gaylon spent all last week there and came down the past week end to move. He says Pampa is a booming little city.

QUILTING AT WISE CHAPEL

Mrs. Aaron Jobe announces that the Wise Chapel women are invited to a quilting at her home on Wednesday, October 7th.

Mr. and Mrs. O. C. Madden and sons O. C. Jr. and Robert Ray, of Lubbock, and Mr. and Mrs. E. E. Niedeecken and children of Abilene, spent Sunday here with their parents, Mr. and Mrs. V. Madden.

Mrs. Cleve Dunn, (Miss Neppie Russell), is back again with her cheerful voice in the Cactus Shop. She reports an unusually good summer with her Texas Cabins in Ruidoso, New Mexico. She says they really think up there that when she arrives to open up the Cabins it is "now Summer," and when she leaves it is "now Winter". Miss Stella Johnson, who had spent the summer in Ruidoso with Mrs. Dunn, returned to Hamlin with her.

Fred Carpenter was called to Dallas Sunday by the death of his sister, Mrs. Ruby Syday, who passed away Saturday. He returned Monday. She had been ill for several months. She was only 39 years of age.

Business Opportunity

For

New Business or Established Merchant

LARGE NATIONAL CORPORATION HAS OPEN FRANCHISE IN HAMLIN

The business embodies a varied line of highly salable and necessary merchandise and assures you sufficient quantities and lines of goods to produce volume sales.

The company you will represent furnishes equipment, fixtures, supervision and proved sales programs that positively insure a successful business. It further provides a national radio program and engages national advertising in all leading magazines at no cost to dealer. It shares the expense of local newspaper advertising.

The company is interested in securing a dealer in HAMLIN with \$3,000 to \$6,000 capital or installing our lines of merchandise in reputable established mercantile store that wants to increase its profit possibilities and identify itself with one of the country's most outstanding quality merchandisers.

If you are interested in going into business or increasing the profit in your present business from 10 per cent to 20 per cent net profit attainment, write for further details at once.

A complete model store is currently set up in Dallas for your inspection and full investigation.

Write today without delay as this franchise together with a limited number of other cities will be available for a short time only. Address your inquiry to:

In The Name Of War Effort—

It is quite amazing how many things are being done and what is being said these days under the plea "For War Effort!"

One person says let's prevent fires in October to aid the Nation's "War Effort", another says let's Produce Foods for Victory and another says let's Pick Cotton for Victory. Then one comes along and says let's speed up stock raising to win the war.

Suppose one of our great cities was being attacked like Stalingrad, and a hundred other cities threatened, like they are in Russia. The motive back of all "sayings" would be something besides making a few more dollars.

The thought of making money still holds a bigger corner in the minds of Americans than that yet occupied by war and its consequences. There is a greater scramble to get a few more dollars than there are efforts to get in somewhere and do some real fixing and fighting. It is so easy to say, "Wait till our men begin to pour in on the Japs or Germans and watch the war come to a quick end". Yes, that is easy. Common sense would tell anyone that the more one has for sale, the more money he will get in this war period. Talking one way and thinking another has hurt our Americanism more than any one thing up to this very week. In the name of war, in the name of defense, in the name of this and that to make money. Back of it is "We want to get more dollars while getting is good."

The throttle on the cost of living, wages and prices has helped already, far more than anyone can imagine, when we remember how sky-high things went in the First World War days.

To prevent fires is common sense, war or no war. To produce fat beef for the dollar is one thing and to produce it for better feeding of our soldiers is better. And remember you have not heard of "relief" yet. Wait till goods and food can begin to flow safely once more. Millions of people will be so weak and helpless in the world, that the thought of any selfish person to produce potatoes or beans for a dollar will be as obnoxious as a slacker dodging the battle line.

Over 100,000 babies have died in Greece since the Germans took the country, because of malnutrition. Starvation and disease will be the factor that stops the war, and then listen for the plea to America for food and clothing for the millions beaten down by Hitler's German hordes.

James Tate May has returned to Waco to resume his second year's work in Baylor University.

Mrs. J. B. Adkins was taken to the Stamford Hospital Thursday for last week for medical treatment.

STATEMENT OF THE MANAGEMENT, CIRCULATION, ETC., REQUIRED BY THE ACTS OF CONGRESS OF AUG. 24, 1912 AND MARCH 3, 1933

Of The Hamlin Herald, published weekly at Hamlin, Texas, for Oct., 1942.

State of Texas

County of Jones, ss.

Before me a Notary Public in and for the State and County aforesaid, personally appeared Bowen Pope, who, having been duly sworn according to law, deposes and says that he is the owner-editor of The Hamlin Herald, and that the following is, to the best of his knowledge and belief, a true statement of the ownership, management, etc., of the aforesaid publication for the date shown in the above caption, to-wit:

1. That the name and address of the publisher, editor, managing editor, and business manager is Bowen Pope, Hamlin, Texas.

2. That the owner is Bowen Pope, Hamlin, Texas.

3. That the known bondholders, mortgagees, and other security holders owning or holding 1 per cent or more of total amount of bonds, mortgages, or other securities, are none.

BOWEN POPE, Editor

Sworn to and subscribed before me this 25 day of Sept., 1942.

J. B. Eakin, Notary Public

(SEAL)

(My commission expires June, 1943)

It Costs \$1.00

In years past this paper has been embarrassed by certain ones sending only 75c to us for 12 months of the Herald. Every week this paper carries the rate per 6 and 12 months. It is still \$1.00 for 12 months and 60c per 6 months time.

If you know a bottle of medicine sells for \$1.00 and you entrusted your \$1.00 to some person to buy you that bottle of medicine and the "agent" in turn hands the money to a second person, and delivers only 75c, would you expect a "full bottle"? No.

The same rule applies to the Herald. If somebody mails or hands us money for subscriptions, we give full measure for the amount received.

This office clubs the Herald with certain daily papers but no one else is authorized. So you play safe—when you deal with us.

Mr. and Mrs. J. F. Morgan accompanied by Mrs. Tex Herring, spent the week end visiting in Cross Plains. On their return home when only a short distance from Cross

Mrs. Jim Johnson arrived Monday from San Diego where she had been about seven weeks with her daughter, Mrs. Jack Wharton and son Carl Johnson.

Mr. and Mrs. Truett May and children Margaret Mary and Irene of Baltimore arrived Tuesday for a visit with their parents. Truett is with the War Department as an auditor.

Mrs. Leray La Baume returned to her home in San Antonio Wednesday after an extended visit here with her husband's parents, Mr. and Mrs. C. E. La Baume.

The Herald anywhere, 1 year, \$1

Prepare Now for V-I-C-T-O-R-Y AFTER VICTORY

The problem of changing from war work, after World War I, to peacetime production, plunged us into a long and grim depression.

Rural America felt this depression five years ahead of industry and business. We tried to warn labor and capital but they would not believe the warning and insisted the rainbow and the pot of gold at the end would last forever.

Finally, the bubble broke and the storm came. We had 12 million unemployed, the domestic market for farm production was gone, and even the smaller export market survived only when we loaned Europe the money to buy our products. Farm income was reduced, mortgages increased and many farmers lost their farms while industry, big and little, was at its wits' end to survive.

To Prevent a Worse Depression.

Our problem is to prevent even a worse depression at the end of this war. Every industry, big and little, has been retooled to produce airplanes, tanks, cannon and weapons of war. Millions and millions of dollars have been spent for this purpose.

When this war is ended it will take the same millions of dollars to turn these industries back to peacetime production.

Lessons of World War I.

We learned after World War I that our country cannot prosper unless agriculture prospers. We know now that our country cannot prosper unless agriculture, business and industry, and labor are all prosperous. Whatever our personal feeling may be, the fact remains that all of these groups taken together make up our domestic market which consumes over 90 per cent of our total production.

Labor can purchase its maximum of farm products if each worker has a permanent job at good wages. The employer can pay good wages if he has something useful to manufacture and some one has the desire and the money to buy it. Jobs at good wages depend upon an employer who is making the money necessary to pay the wages.

Farm Prices Reflect Good Business.

This makes it plain that with employers and business busy in useful undertakings, with all workers employed at good wages, farm prices will be good and consumption at its maximum.

The key to the situation is that employers shall have the cash money at hand to change from war manufacture to peacetime activity with the least possible delay when this war ends.

Our United States Senate is searching for a plan that will produce maximum revenue to the government to insure victory; provide a fund at the end of the war big enough and quickly enough to convert business and industry from war work to peacetime necessity, but without the government having to borrow and lend the money for this purpose after the war is over.

Here Is a Simple, Practical Plan.

For the solution of all these problems there is one simple plan of outstanding practical value, based on the idea that war profits from all companies, big and little, should be used for this purpose.

The tax rate on war profits is figured at about 90 per cent. Business and industry, big and little, would be permitted, however, to deduct from their taxable war profits 20 per cent of such profits, provided the deduction is used to purchase United States Recovery bonds.

Recovery bonds would be a special kind of bond for this purpose only. Recovery bonds could not be sold or borrowed upon during the war, and neither would they pay any interest. They must be held by the purchaser until the end of the war.

The day the war is over these bonds would automatically start to bear interest, could be bought and sold, and become the same as any other government bond. The purchaser could sell them or borrow upon them to obtain the money to change his business and plant from war production to peacetime production when and as he needed money to do this job.

Profits for Peace-Time Recovery.

In other words, business, big or little, would be required to contribute 20 per cent of its own war profits to provide the money to change its own plants back to peacetime production.

The fairness and equity of such a plan is perfectly plain. Each company, by using 20 per cent of its own war profits to buy Recovery bonds, builds its own backlog to bridge from war production to normal peacetime activities. Big companies and small companies will buy in proportion to their size and needs until the war is over. In the meantime, our government receives the maximum in revenue to produce for victory, and we, the people, have established security against the worst depression of all time.

With such a plan adopted and in operation, we can all give our maximum to the war effort, secure in the fact that when the war is over we can quickly and safely go back to the paths of peace. The necessity for such a plan is so apparent, the evils of depression so grim and widespread that we, the people, can well afford to take time out to support our senators and congressmen in this effort to bypass another depression.

FOUR MORE young married men of Hamlin left for army air service this week. They are Pinkie Fitzgerald, who gave up his job as cashier at the Hamlin Cotton Oil Mill; Pat Marlowe, manager for the Hamlin Safeway Store; Homer Raney, employed at the Plaster Cement Mill, and Ernest Jenkins, fireman on the Santa Fe, all went to Abilene Monday morning and volunteered. Late that afternoon, several olive drab army cars pulled up for a minute or two in front of the Inzer Pharmacy but "narry a boy" was permitted to get out, only a forlorn smile greeted their wives as each rushed up to get one more word in as they passed. Now folks, that's what we call going to war. Yep, the olive drab cars wheeled away these popular young men and the last report says they

More Men Joining Up With The Air Forces

Join the Air Forces and serve with your buddies.

Two representatives of the Lubbock Army Flying School will be at the Anson Chamber of Commerce office on Saturday to enlist men from Hamlin and Jones County into America's fast growing Air Forces.

Enlistments are open to those between the ages of 18 and 50, with minor physical disabilities being waived.

Last Saturday eighteen men from Hamlin and Jones County were enlisted. Hamlin men were: Homer R. Raney of the Plaster Mill; Clarence W. Marlowe of the Safeway Store and Jay H. Fitzgerald of the Hamlin Cotton Oil Mill. Living near Hamlin and enlisting were: Elmo B. Gabriel, route 4; Lester W. Jenkins, route 4; Ernest N. Jenkins of route 1. In addition to these seventeen Jones County men enlisting, there were already fourteen Jones County men at Lubbock and today five more Jones County men have arrived for duty.

All questions regarding enlistment will be answered at Anson Saturday and transportation back to Lubbock will be furnished.

We Predict—

The Herald predicts that by January 1, 1943, there will be many counties in Texas that will push aside all form of relief from the Federal government, where persons are at all able to work a little. Already some counties in Texas have done so. The labor problem is certainly to get tighter as the weeks go along. Every available man and woman who can produce on the farms and ranches should be called into action. And here is another guess: It is possible that persons will be "Frozen" where they are and nobody can change work without valid reason and permit.

There are literally hundreds of thousands of men and women in this country who can do something if willing and if not willing there is going to be a check-up. This is WAR times and there is but one thing left NOW for any loyal person to think about or do . . . help win a bad war.

Notice the date after your name.

About Soldiers--Sailors

are being "shot and re-conditioned" in Ft. Sill, Oklahoma. Later these fellows hope to be stationed at the Lubbock Air School in the ground force.

CAPTAIN LEO FIELDER

One of the most modest young men in the service from this community is Leo E. Fielder, now Captain Leo E. Fielder, of the American flying force. But accidentally we got a tip and this is not violating any military secret to print the following:

"You will not hear from me again until I reach my final destination and then you will receive a safe arrival card bearing my signature. I have no regrets or fear of going. I am only too eager to get started and get my part in, and believe me I am going to give some one plenty of hell. I expect to be back in 12 to 14 months as that is as long as they usually keep us in combat.

"Now for a little good news. I am now Captain Fielder, as my promotion finally came through.

"Well so long and don't worry."

Leo

JAKE FOSTER WRITES

Newport, R. I., Sept. 23, 1942
Hello Mr. Pope:

I was home on leave in August but didn't get to see you. It took lots of time for travel and I didn't have long to stay but it was swell seeing some of my old friends.

I enlisted last Nov. third and have nothing but praise for the service and all the boys who are in the defense of this great country. I was in Boston from Dec. fifteenth to April first and then spent three months in the Boatswain school in New York. At the present I am on a small patrol boat. We are out forty-eight hours and then come in for forty-eight hours. They have submarine nets across the mouth of the harbor and some mine fields. Our duty is stopping all vessels outbound, getting clearance through the nets and then escort them out into the rough and deep Atlantic, and I do mean rough. We have to be ready at all times for duty because we get calls for special duty when we are at the docks.

I like my work fine but the town is zero minus. Give me good old Texas and after we have won this battle I hope to return to my work in Dallas. Victory may be a long day off, but it will be sweet and there can be no other ending.

Tell all my friends hello and not to stray too far north this winter.

The people at home and everywhere are swell to the service men and being so far from home, I can say that the majority of them appreciate it.

Jake Foster, B. M. 2-C

P. S. I get my Herald every week and always look forward to the next one. The other boys on the boat enjoy reading the service men's section.

Jake Foster, B. M. 2-C

INZER PHARMACY

It is now Corp. Marvin Hudson. He writes his mother he is getting the Herald and is feeling fine. Marvin must be "over there". His address is ASN 6270872—Anti-Tank Co. 33rd Inf.—APO 869, Care P. M., New York, N. Y.

— S & S —

Last week the Herald heard from our Parachutist, Pvt. D. T. Townsend, at Fort Benning, Ga. This old boy is West Texas' most typical soldier, one who likes the game he is in and one who gets a lot out of life, down there, showing those guys how a West Texas boy still plays base ball as well as jump out of planes. Say, folks, nothing you can do to please Townsend better than to write him a letter. His address is Regl. H. Q. Company, 505 Parachute Inf., Ft. Benning, Ga.

— S & S —

Staff Sgt. John T. Sipe was at home the past week to visit his parents. He returned to his camp at Lake Charles, La., Air School, Monday. He has been there since last March.

— S & S —

Monday night John May phoned his father from Camp Wolters, where they sent him from Abilene that day. John was up for the draft and when he passed his physical in good shape, he says, "Give me the papers, I'm heading for the army or the air corps." He left to be a part of the ground crew of the Air Force hoping to be sent to Lubbock. Here's betting a dollar generous John May will make Uncle Sam a good soldier. For a long time John has been saying, "Uncle Sam knows where I am, and when he gets ready for me, I'm ready to get in there and pitch."

— S & S —

Somewhere, on some ship or on some island, sailorboy G. F. Griffin says "I have just received two copies of the Herald." He says, "The first thing I do is turn to the column 'Soldiers and Sailors,' and then he says, 'I find out where the boys are that I went to school with.' D. F. says James Haught is right about good food in the Navy. But says Griffin, 'With sea duty, that is to be expected, but then you know we sailors are not on a pleasure cruise.' Address, USS Colorado, care Fleet Postoffice, San Francisco.

— S & S —

Bill Harbert, son of Mrs. Lala Harbert, left Monday for Dallas to be sworn in as a United States Marine. Bill says, "I'm in for the duration, and six months after." The last request of Bill is that he wants the Herald to come to him so he can keep up with the Pied Pipers and the Hamlin doins."

— S & S —

Airplane Machinist Mate 2-C, Max B. Carlton, who is on a certain big cruiser in the Pacific wrote his parents that he is OK and along with the note sent a picture of typical aggressiveness of an American bunch of young men. That picture shows grim determination and dogged fight.

— S & S —

Tech. Sgt. Horace Smith, brother of Howard A. Smith of Hamlin, came over from Langley Field, Va., on an 18 days furlough. This young fellow's parents live at Cross Plains, and part of his furlough will be spent in Hamlin. He has had 300 hrs. in the air and is now an aerial gunner on a B-17 and line chief of a 9-plane B-17 squadron. Smith was accompanied to Hamlin by a friend, Don Ray Kelley, of Cross Plains.

— S & S —

Sailor Boy G. W. Turner has landed in the Great Lakes Training Station, after volunteering last week at Dallas. G. W. is going into the Navy for a six year hitch and what an education. His host of friends in Hamlin will try to keep up with our big boy G. W. The Herald will follow him all the way.

"HAWAIIAN NIGHTS", a musical review presented by Harley Sadler's Own Company during his three nights' engagement STARTING MONDAY, OCTOBER 5th.

Uncle Sam Says:

Cut your car speed to 35 miles per hour, also gas rationing will be made nation-wide. It has been bad judgment to drive to other cities for supplies, when Hamlin merchants are handling ample stocks and above the average in quality, at reasonable prices. So says Dr. Baker, Eyesight Specialist, who further states that he can supply "Big City" eyesight service on his regular visits and has a complete line of late style spectacle ware, at moderate prices.

So, do all your business at home, and help win the war, also buy War Bonds and Stamps.

See Dr. Fred R. Baker, at the Hamlin Hotel, Wed., Oct. 7th Only

Optimissus Club Meets With Mrs. Richardson

The Optimissus club members met a pleasant afternoon in the country home of Mrs. Gerry Richardson Friday, September 25. Eight members and four guests were present.

In games of "42" Mrs. W. H. Dean won high score for club members and Mrs. Wallace Walton held high score for guests.

A business session was called by outgoing president for the purpose of the election of officers for the new year. Those elected were: Mrs. Tom Vaughan, president; Mrs. Marlowe, vice-president; Mrs. Burgess, sec'y-treas.; Mrs. O. Harvey, reporter.

Three new members were elected to the club. Those elected were: Mrs. Vernon Andrus, Mrs. Jack Robins and Mrs. Jack Coles. This makes a full membership.

Lovely refreshments were served to the following members and guests: Mrs. W. H. Dean, Dub Burgess, Pat Marlowe, M. O. Kimmey, Tom Vaughan, John Walton, Charlie Abbott, Wallace Walton, McGough,

Vernon Andrus, O. G. Harvey, and the hostess.

The club meets October 9th at 2:30 P. M. with Mrs. Tom Vaughan as hostess.

Homemaking Class

The Homemaking II class has organized their club for the coming year. The officers are as follows:

Winnie Faye Hassen, president; Keith Louise Jobe, vice-president; Mildred Smith, sec'y-treas.; La Verne Hix, reporter.

Betty Lou York, Frances Gardner and Billie K. Lancaster, program committee.

Lida Jo Peterson, Clota Rae Jones, social committee.

We are hoping for a successful year as a club.

—Reporter

Celebrates Fifth Birthday

Bennie Doris Wilkinson celebrated her fifth birthday with a party at her home Saturday afternoon, Sept. 26.

Games were played after which the gift packages were opened.

The white birthday cake topped with five pink candles centered the dining table where hot chocolate was served with cake.

Those present were Euata Miller, Mildred and Fay Jones, Glenda Hallmark, Gary and Barbara Warner, Bettie Carolyn and Eddie Decker, Polly and Patsy Pals, Ina Rhella and Erma Fay Kelly, C. W. Alexander, Peggy Sue and Shira Helms, Shirley Maynard, Wayland Wolfe, Mary Lou Scott and Jimmie Lewis Wilkinson.

Airplanes were given as favors.

Young People's Party

Tuesday evening at the First Baptist church, the Young People were entertained with a social. As each one entered the room they were given ten beans and if anyone asked them a question and they said yes they had to give up a bean. At the close Alfred Altum had the largest number of beans and was given the wonderful prize of a baby doll.

Many other games were played under the leadership of Rev. Tarrence. He and Mrs. Tarrence added very much to the evening.

Miss Bertie Agnew, a teacher at Dovie, brought the devotional and everyone there was inspired by it.

Mrs. Hampton and Mrs. R. L. Kite helped serve refreshments to the following: Nevva Fine, Jake Weir, Louena Kite, Bobbie Wilson, Jeannine Johnston, Lula Mae Hampton, Dick Cordell, Bettye York, Gertrude Eckler, Erma Jewell Altum, Jessie Myers, Bobby Atkinson, Christine Cooper, Margaret Rine, Joe Weir, Ida Frances Robertson, Alfred Altum, Bettye Ray Sellers, La Rue Kite.

Boys Honored

The Wilcox Family Reunion was held at the City Park Sunday, Sept. 27, in honor of W. F. and W. R. Wilcox, who were called to serve their country.

A picnic dinner was served to Mr. and Mrs. Bill Pearce, Mr. and Mrs. B. F. Wilcox, Corene and Troy and W. F. Wilcox and wife; Mr. and Mrs. W. M. Millhorn and Leon, Fay and Linda Kay; Mrs. R. L. Matecha and Lorene and Jeanette; Mrs. Wade Farrell and Don; Mr. and Mrs. H. A. Perkins, H. A. Jr. and Tommie and Mrs. W. J. Wilcox. Pictures were taken and all enjoyed a nice day.

Mr. and Mrs.

Grover Sipe Celebrate Wedding Anniversary

Mr. and Mrs. Grover Sipe entertained in their home Wednesday, September 23, with a luncheon, celebrating their twenty-fifth wedding anniversary.

Only relatives and a few friends were present.

The Herald is worth more than \$1

NOTICE

Dr. Baker's office visits for 1942, Hamlin Hotel, are: Wednesday, October 7th Wednesday, November 4th Wednesday, December 2nd

Tell The Herald your news. Notice the date after your name.

BAPTIST CHURCH

Those who attended the revival which closed last Sunday will long remember the messages brought by our visiting preacher, Bro. Short. We hope that the seed sown will bear fruit in the days ahead.

Due to some change in plans, we are not leaving at this time as a Chaplain in the United States army. A letter from Washington, received just the day before I was to leave, brought about this change. Therefore, we will be in this pulpit, as far as we know, for some time.

We invite you to our services.

Sunday School 9:45
Morning Worship 11:00
Training Union 7:30
Evening Service 8:30
Mid-week Service, Wed., 8:00
H. E. East, Pastor

Mr. and Mrs. P. D. Harkins have returned from a two weeks' vacation trip to Shawnee, Oklahoma, and Wichita Falls, where they visited relatives and friends. Mr. Harkins is foreman of a Shell Pipe Line crew.

Mr. and Mrs. Wade Green and Morgan Drummond were called to Stephenville Sunday to attend the funeral of Mrs. Green's sister-in-law, Mrs. Loyd York. Mr. and Mrs. Green and Mr. Drummond returned home Sunday night, and Mrs. Drummond, who had been at her sister-in-law's bedside for several weeks, went to Mexia for a visit with her brother.

Children and Grandchildren

What You Buy With WAR BONDS

An Army motor trailer looks much like any other automobile trailer which may be seen on the highways or in the tourist's camps. The Army's trailers are used as traveling hospitals, dental clinics and testing laboratories.

These mobile surgical or dental units are hauled to their destination and the trucks released for other purposes. They cost from \$1,200 to \$3,000 and weigh from 1½ to 8½ tons. You can help pay for them ... help keep our Army fit. Invest at least ten percent of your income in War Bonds every payday. You can join the Ten Percent Club through the Payroll Savings Plan or buy Bonds regularly through the nearest bank or postoffice.

THE TOWN THAT LET HIM DOWN

HE: Well, here's the city limits. Tomorrow I can see my customers around town. Are you tired?

SHE: Not very. Does the car need anything?

HE: Yes, it does, but the map shows no Conoco station here.

SHE: You and your Conoco Nth oil ... but I don't blame you ... the way this car performs.

HE: Here's the hotel, and a garage right across. Let's leave the car there, eh?

ATTENDANT: Good evening! In for the night?

HE: Yes. Fill the tank, grease her, check the oil, but don't drain.

ATTENDANT: What brand do you use?

HE: Conoco Nth.

ATTENDANT: Sorry, haven't got it ... but this is the last straw, mister. You're the fifth driver this week demanding Conoco Nth. Seems like everybody knows about that Death Valley Test, when six engines were run to destruction. Conoco Nth out-mileaged the average of five other brands more than two to one. I'm going to get some in stock.

HE: Sure, your regular customers, too, will want Conoco Nth to OIL-PLATE their engine.

Conoco Nth helps keep your oil and your engine clean. It can save you repairs and many a quart. See Your Conoco Mileage Merchant today. Continental Oil Company

CONOCO

OIL IS AMMUNITION ... USE IT WISELY

FOR THE DURATION of your car

Don't depend on hurried stops for gasoline to have your tires and car checked. Join my ONCE-A-WEEK CLUB. Choose one day each week to bring in your car. I will properly check your tires, oil, radiator, and battery. I will report anything that appears to need attention. I will keep a careful record and remind you when greasing and oil change are needed. I help you get maximum service and car life at least possible cost and trouble.

POT SHOTS FROM M'CAULLEY

BY GEO. DARDEN

Mr. and Mrs. Jack Johnson are the proud parents of a baby daughter, born Thursday, Sept. 24.

Mr. and Mrs. Turner Houghton are announcing the arrival of a daughter, born Wednesday, Sept. 23.

Miss Mary Hendrickson of Madera, Calif., writes this scribe for the addresses of the McCaulley boys in service and as we have failed to get the addresses of all the thirty-three boys from McCaulley we hope the readers of this column will send the address of any boy from this vicinity to Miss Hendrickson, and her address is Rt. 2, Box 192, Madera, Calif.

Mrs. W. C. Jackson was elected teacher of the young married ladies' class of the McCaulley Baptist church and all members are urged to attend next Sunday. Other officers of the class are: Mrs. H. P. Powers, president; Miss Alene Akins, secretary. Membership chairman is Mrs. Dub Woods; Devotional, Mrs. Virgil Steele; Social, Mrs. Ellis Eivens and Mrs. Geo. Darden, reporter.

Offie Ray Hennington, son of Mr. and Mrs. O. T. Hennington is in the army and stationed in Missouri and his address is Co. B-27 B. N. SCRTC Camp Crowder, Missouri.

Pvt. Stanley Jackson, son of Mr. and Mrs. W. C. Jackson, is in the army and his address is Detachment 914 Q. M. Co., Presque Isle Army Air Field, Presque Isle, Maine.

Pvt. Twyman Leo Parker's address is A Btry. 51st C. A. C., APO 851, Care Postmaster, New York, N. Y.

The address of B. B. (Doc) Perryman is Mine & Bomb Defense, Seaman S-C, Box 23, Pearl Harbor, T. H.

This scribe will appreciate the address of your boy in service and if it's not too much trouble, just drop us a card.

The Texas Cotton Growers Gin has installed a new flood light on the gin yard which greatly benefits night ginning. Cotton in this vicinity is opening very fast and there is a shortage of cotton pickers.

Gas rationing will soon be on us and according to one filling station operator, the fellow who has in the past been fudging off of Uncle Sam by using gas out of the barrel at home and then getting a 4 cent refund, will likely get himself in a jam.

Charlie A. Jones of Rotan has announced for the Senate to fill the unexpired term of John Lee Smith. So far as we know, Mr. Jones is the first to announce, but rumors are that several are planning to throw their hats in the ring.

Mr. and Mrs. Fred Maberry have returned from San Antonio after several months in that city where Mr. Maberry has been employed on a defense job.

Mr. and Mrs. Willie Fancher are back home after a few weeks at Marfa and Pyote where Willie worked on a defense job.

John and Granville Dean have returned to McCaulley after defense work at Marfa and El Paso was finished. The Deans expect to begin work at Camp Barkeley this week.

Mr. and Mrs. West Abbott of San Angelo were week end visitors in the home of his mother, Mrs. Marshall Abbott.

Mr. and Mrs. Leo Masser and son of Fort Worth visited over the week end in the home of her parents, Mr. and Mrs. Ted Abbott.

Mr. and Mrs. Vernon Harris of Bonham, Texas, visited over the week end in the home of Mr. and Mrs. Walter Peacock.

The children of Mr. J. H. Milsap are in McCaulley for a few days' visit. We failed to get the names of all, so will give a better account in a later edition.

Mrs. Poindexter, formerly Emma Hopkins, is visiting this week in the home of Mr. and Mrs. Louis Hopkins.

Mr. and Mrs. E. C. Waldrop visited their son in Abilene Saturday, and Billie Max, along with a roommate, returned with them for a visit over the week end.

The boys in prison in every state in the Union are crying for a chance to help whip Hitler and the Japs.

Some have offered their lives as suicide squads and others want a chance to work in defense plants and they do not expect a dollar per hour. It seems to us that there should be some way to give a lot of those fellows a chance to fight or produce.

State prisoners in many cases are as loyal to America as some on the outside and there are a lot of folks who are at large who need to be behind the bars, at least for the duration. Every time a sit down strike occurs in a vital defense plant, it might be better for Uncle Sam to send the sit down strikers to prison and put the boys at Huntsville on their jobs. Any way, it is something to think about and no doubt but there are plenty of men in state prisons who would make good soldiers, even though some are killers. Well, folks, it's going to take a lot of Jap killing, and why not send a few killers after their yellow hides.

A DARDEN-O-GRAM

BOYD CHAPEL CHIRPS

By Mrs. James Ferguson

Mrs. Frank Houghton of Royston visited her sister, Mrs. Paul Young last Sunday.

Those who visited in the home of Mr. and Mrs. M. E. Brown Sunday were Mr. and Mrs. Wilburn Crisswell, Mr. and Mrs. Fred Hodges, and Mr. and Mrs. Fred Horton of Hodges.

Mr. and Mrs. Clarence Whittenburg and baby of Dallas are visiting in the home of Mr. and Mrs. E. K. Whittenburg.

Mr. and Mrs. Beasley Lipham of Truby, and Mrs. D. M. Scott of Anson, visited Mr. and Mrs. Grady Wilson Sunday.

Mrs. J. P. Bingham and Mrs. Jessie Handcock of Hamlin visited Mrs. Ada McClure Sunday.

Mrs. Ada McClure, who has been confined to her bedroom for more than three months, is still quite ill. Mr. and Mrs. Thompson Young, Wyvonne and Paul Young attended a birthday dinner in the home of Mr. and Mrs. Bert Killingsworth of Longworth Sunday.

Mr. and Mrs. J. P. Cornelius visited Mr. and Mrs. Floyd Shaver who were visiting Mr. Shaver's mother in Seymour Sunday.

and Families.

Don't Forget Scrap

It seems that the Scrap urge is getting more and more pronounced. So again let's all look about our places, small articles, and things that will not be of any earthly use can be gathered for Uncle Sam. Remember the school children are called on to help. This is a fine idea. They can have a scrap box or bin at their schools and from day to day add pounds and pounds to the collection. This is a way to realize that every child can do something.

From time to time trucks will pick up the metals and deliver to designated points. If a piece of discarded iron is too heavy to carry it should be known and somebody will be patriotic enough to come and haul it down to the school house. If you have any scrap about you, show it, prove you got some metal in you too . . . remember it is the old boys who formerly went to your school that are killing the Japs on the Pacific, and they need something to wham at our enemy.

EXCHANGE FURNITURE (48-4)

Mrs. Mattie Colborn and Miss Bobbie Stephens of Lubbock spent the week end with their parents, Mr. and Mrs. Dan W. Stephens. Bobbie, a senior in Texas Tech, received a Civil Service appointment in Washington D. C. as senior typist recently. She left Tuesday morning for Washington. Bobbie graduated with the Hamlin High school class of 1940.

Notice the date after your name.

Boyd Chapel Defense

Boyd Chapel Defense club met Sept. 24. A nice crowd attended and rather interesting games were enjoyed. One \$25.00 bond was sold and \$35.00 in stamps were sold.

The next meeting, on the 22, we will have a Hallowe'en carnival. Everyone come see the spooks.
